Dear Mr. Reuwsat,

My husband and I retired and moved to Eagle Point, off of Highway 140.

Our home is backed on two sides of the BLM. We love it here, its quite, peaceful and serene.

We have seen the wild turkeys on our property, Elk and Deer. At night I set on the deck and I hear the coyotes bark and howl. We are so blessed with what we have and to know this is where God sent us, so I ask you please don't ruin our dream by letting people use this area for recreation. I am also concerened with Vandalism, trespassers and fire.

Thank You,
Sincerely
Linda O'Connor
