YAQUINA HEAD OUTSTANDING NATURAL AREA
Junior Ranger Program

Any child can become a **Junior Ranger**! Kids 7 and under complete page 1. Kids 8 and older complete both pages 1 and 2. Parental assistance is encouraged. Bring the completed sheet(s) to the interpretive center information desk to receive your official **Junior Ranger Badge!**

1) What tide pool creature is the Junior Ranger Badge shaped like?

2) What kind of whale might you see at Yaquina Head?

3) What should you do if you find a seal or seal pup on the beach?

4) What time is low tide today? (Hint: look at the "What's on Today" board or tide chart)

5) Show a Ranger or Volunteer a whale, bird, or seal imitation. (Initials)

6) Ask a Ranger or Volunteer their name and one job they perform during the day.

7) Finish one of the puzzles or coloring sheets found at the Kids Corner.

8) Draw a picture of something new that you saw on this trip to Yaquina Head.

The Lighthouse

1) What is the flashing pattern (or signature) of the Lighthouse?

2) What year was the Lighthouse built?

3) True or False: The Lighthouse has a first order Fresnel lens?

The Tidepools

1) Name one "Featured Creature" that lives in the tidepools and the zone it belongs in.

2) How many low tides are there in a 24 hour period in Oregon?

2) True or False: You are allowed to touch the tidepool creatures.

The Wildlife

1) Which marine mammal is a year round resident at Yaquina Head?

2) Where do Gray Whales migrate to in the spring?

3) List or draw three of the birds you might see here at Yaquina Head.

EXTRA CREDIT: What is the postmark date on the middle postcard on the Interpretive Center wall?
