THE UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

BEST MANAGEMENT PRACTICES CERTIFICATE OF RECOGNITION

Awarded to the following shooting range facility:

Clark County Shooting Park

For preparation and implementation, or notice of intent to implement, a written Environmental Stewardship Plan submitted as consistent with EPA Region 2's "Best Management Practices for Lead at Outdoor Shooting Ranges" manual. EPA has adopted the Region 2 manual as national guidance.

July 25, 2008
Date

Edward J. Guster III
Shooting Range Coordinator

Note: This certificate is intended to convey that the range declared its intention to properly manage lead shot and bullets. It is not a permit and provides no additional operational approval implied or otherwise.
