Thank you for the prompt response. I request to nominate for lease the oil and gas rights to the Federal 160 acre tract located in Curry County; described as the NW/4 of section 17-T4N-32E. I am disappointed that I missed the nomination process for the 2016 sale, but I understand that this lease will be included in the 2017 sale. Much appreciated. Please keep me posted as the nomination process progresses. Again, thank you.
