Hi Randy,

Hope you had a restful week off.

I'd like to get together with you to debrief on the project.

However, I'm staring down the barrel of a hurricane at the moment here in Ft. Lauderdale. I'm pretty secure - shutters up and provisions stocked. Will probably loose power/internet/cell after it is over. The nasty part of the storm is moving up the west coast of Florida, so we won't get the worst of it here.

I'd like to schedule a call with you when I'm able to function again.

I'll let you know.

Thanks,

Marcia Cash
