Okay, we will need 5 line items on the PR because we need to extend the current licenses (CLIN 010 and 020 on the contract) for an additional one month each, plus the two labor hour line items, and one additional line item for Storage at $94.71.

It depends. The contract has two labor categories, one for the Grad Student Labor Hours and Project Manager. If the money is for both, I will need it split into the two line items. Last time it was split and I am assuming this time is similar.

Marcia, can you let Rosslyn Murphy know how much to split the funds between Grad Student Labor Hours and Project Manager?

to me, Marcia

Randy & Marcia,

Attached are the invoices to date. When these are paid off, we will have used $17,630 of the total $18,500 budgeted under the first modification.

Going forward, I would advise the following:

- (1) Enterprise license 1 month $1,880
- (12) Professional licenses $807
- (500,000) Extra storage units $94.71
- (30) Project Manager Hours $5,025
- (50) Graduate Student Coders Hours $1,250

TOTAL: $9,057.00
