MASTER TABLE OF CONTENTS
NORTHWEST NPR-A IAP/EIS

Volume 1

ABSTRACT

ABBREVIATIONS

EXECUTIVE SUMMARY

I. INTRODUCTION I-3
A. PURPOSE AND NEED I-3
1. Authority I-4
2. Determining the Boundary of the Planning Area I-6
B. BACKGROUND I-7
1. Administrative History of the National Petroleum Reserve-Alaska I-7
2. Existing and Proposed Special Areas within the Northwest NPR-A Planning Area I-7
3. Northwest NPR-A Planning Area Boundaries I-8
4. Relationship of the IAP/EIS to past BLM Plans in the Planning Area I-9
5. IAP/EIS Planning Process for Northwest NPR-A I-9
C. ISSUES I-10

II. ALTERNATIVES II-3
A. INTRODUCTION II-3
B. ADDRESSING KEY ISSUES AND MANAGEMENT DECISIONS II-4
1. Impacts on Estuarine Habitat from Oil and Gas Activity II-4
2. Impacts on Deep-Water Lakes Habitat from Oil and Gas Activity II-5
3. Impacts on Rivers and Riparian Habitat from Oil and Gas Activity II-5
4. Impacts on Caribou Movement and Migration Patterns from Oil and Gas Activity II-5
5. Loss of Raptor Nesting and Foraging Habitat from Oil and Gas Activity II-6
6. Loss or Alteration of Nesting and Brood-Rearing Habitat of Yellow-Billed Loon, Red-Throated Loon, Brant, Spectacled Eider, Steller's Eider, Common Eider, and King Eider from Oil and Gas Activity II-6
7. Loss of Paleontological and Cultural Resources from Oil and Gas Development II-6
8. Impacts to Subsistence From Oil and Gas Activity II-7
9. Leasing of Split Estate Lands II-7
10. Wilderness and Special Area Designations II-7
11. Wild and Scenic River Designations II-8
12. Travel Management II-9
13. Protection of Visual Resources II-9
14. Wildland Fires II-10
15. Wetlands and Floodplains Protection II-10
16. Threatened and Endangered Species II-10
C. ALTERNATIVES II-10
1. No Action II-11
2. Alternative A II-11
3. Alternative B II-11
4. Alternative C II-12
5. Preferred Alternative II-12
6. Stipulations and Required Operating Procedures II-14
a. Definitions II-15
b. Alternative A, Alternative B, and Alternative C Stipulations and Required

MASTER TABLE OF CONTENTS (Continued)

Operating Procedures II-15
c. Preferred Alternative Stipulations and Required Operating Procedures II-16
D. COMPARISON OF ALTERNATIVES II-17
E. NEED FOR FURTHER NEPA ANALYSIS II-19
F. INTERRELATIONSHIPS II-19
1. Introduction II-20
2. Endangered Species Act, Magnuson-Stevens Fishery Management and Conservation Act, and National Historic Preservation Act Consultations and Coastal Zone Management II-20
3. Wild and Scenic Rivers Act Compliance II-20
4. Alaska National Interest Lands Conservation Act Section 810 Compliance II-21
5. Alaska National Interest Lands Conservation Act Section 1320 Identification of Lands Suitable as Wilderness II-21
6. Future Interrelationships II-22
7. Subsistence Advisory Panel II-23
8. North Slope Science Strategy II-23
9. Rights-of-Way II-23
G. ALTERNATIVES AND MANAGEMENT ACTIONS CONSIDERED BUT ELIMINATED FROM DETAILED ANALYSIS II-24
1. Planning for a Larger Portion of NPR-A II-24
2. Recommending Wilderness Designation for All of the Planning Area II-24
3. Recommending Additional Areas for Designation as Special Areas II-25
4. Legislative Action to Open the Planning Area to Mineral Entry (Hardrock) II-25
5. The Arctic Slope Regional Corporation Land Exchange Alternative II-26
6. Audubon Society's Wildlife Habitat Alternative II-26
7. North Slope Borough's Alternative II-27
8. Designation of Transportation Corridors II-27
9. Cleanup of Contaminated Sites II-27
H. MAJOR DIFFERENCES BETWEEN THE DRAFT IAP/EIS AND FINAL IAP/EIS II-27

III. DESCRIPTION OF THE AFFECTED ENVIRONMENT III-11
A. PHYSICAL CHARACTERISTICS III-11
1. Terrestrial Environment III-11
a. Geology III-11
b. Physiography III-23
c. Soils III-24
d. Sand and Gravel III-26
e. Paleontological Resources III-29
f. Hazardous Materials III-30
g. Fire III-33
2. Aquatic Environment III-33
a. Water Resources III-33
b. Surface Water Quality III-37
c. Estuarine Waters and Water Quality III-41
3. Atmospheric Environment III-42
a. Climate and Meteorology III-42
b. Air Quality III-43
B. BIOLOGICAL RESOURCES III-44
1. Special Areas and Special Management Zones III-44
2. Vegetation, Wetlands and Floodplains III-45
3. Fish III-49
a. Overview III-50
b. Freshwater Environs III-50
c. Marine Habitat III-53
d. Fish Species III-54
e. Essential Fish Habitat III-57
4. Birds III-60

MASTER TABLE OF CONTENTS (Continued)

5. Mammals III-70
a. Terrestrial Mammals III-70
b. Marine Mammals III-73
6. Endangered and Threatened Species III-81
a. Bowhead Whales III-81
b. Spectacled Eider III-85
c. Steller's Eider III-87
d. Critical Habitat III-88
C. SOCIAL SYSTEMS III-88
1. Economy III-88
2. Cultural Resources III-93
3. Subsistence-Harvest Patterns III-96
4. Sociocultural Systems III-125
5. Environmental Justice III-133
6. Land Uses and Coastal Management III-134
7. Recreation Resources III-153
8. Wilderness III-157
9. Visual Resources III-162
10. Potential Additions to the National Wild and Scenic Rivers System III-164
11. Transportation III-168

IV. ENVIRONMENTAL CONSEQUENCES IV-39
A. INTRODUCTION AND BASIC ASSUMPTIONS FOR EFFECTS ASSESSMENT IV-39
1. Ground-Impacting Management Actions IV-40
2. Oil Spills IV-72
3. Fate and Behavior of Oil Spills IV-76
B. NO ACTION ALTERNATIVE IV-82
1. Soils IV-82
2. Paleontological Resources IV-83
3. Water Resources IV-84
4. Freshwater Quality IV-86
5. Estuarine Water Quality IV-88
6. Air Quality IV-88
7. Vegetation IV-90
8. Fish Resources IV-94
a. Freshwater and Anadromous/Amphidromous Fish IV-94
b. Marine Fish IV-94
c. Essential Fish Habitat IV-98
9. Birds IV-98
10. Mammals IV-104
a. Terrestrial Mammals IV-104
b. Marine Mammals IV-106
11. Endangered and Threatened Species IV-108
12. Economy IV-110
13. Cultural Resources IV-111
14. Subsistence-Harvest Patterns IV-112
15. Sociocultural Systems IV-114
16. Environmental Justice IV-116
17. Coastal Zone Management IV-117
18. Recreation Resources and Wilderness IV-119
19. Wild and Scenic Rivers IV-121
20. Visual Resources IV-122
21. Overview of Effects on Wetlands and Floodplains IV-124
C. ALTERNATIVE A IV-125
1. Soils IV-125
2. Paleontological Resources IV-129

MASTER TABLE OF CONTENTS (Continued)

3. Water Resources IV-131
4. Freshwater Quality IV-136
5. Estuarine Water Quality IV-144
6. Air Quality IV-150
7. Vegetation IV-158
8. Fish Resources IV-165
a. Freshwater and Anadromous/Amphidromous Fish IV-165
b. Marine Fish IV-173
c. Essential Fish Habitat IV-178
9. Birds IV-178
10. Mammals IV-189
a. Terrestrial Mammals IV-189
b. Marine Mammals IV-202
11. Endangered and Threatened Species IV-207
12. Economy IV-220
13. Cultural Resources IV-223
14. Subsistence-Harvest Patterns IV-225
15. Sociocultural Systems IV-247
16. Environmental Justice IV-253
17. Coastal Zone Management IV-264
18. Recreation Resources and Wilderness IV-273
19. Wild and Scenic Rivers IV-276
20. Visual Resources IV-278
21. Overview of Effects on Wetlands and Floodplains IV-282
D. ALTERNATIVE B IV-284
1. Soils IV-284
2. Paleontological Resources IV-286
3. Water Resources IV-288
4. Freshwater Quality IV-291
5. Estuarine Water Quality IV-294
6. Air Quality IV-295
7. Vegetation IV-297
8. Fish Resources IV-300
a. Freshwater and Anadromous/Amphidromous Fish IV-300
b. Marine Fish IV-303
c. Essential Fish Habitat IV-305
9. Birds IV-305
10. Mammals IV-309
a. Terrestrial Mammals IV-309
b. Marine Mammals IV-312
11. Endangered and Threatened Species IV-315
12. Economy IV-322
13. Cultural Resources IV-323
14. Subsistence-Harvest Patterns IV-326
15. Sociocultural Systems IV-331
16. Environmental Justice IV-333
17. Coastal Zone Management IV-334
18. Recreation Resources and Wilderness IV-336
19. Wild and Scenic Rivers IV-339
20. Visual Resources IV-341
21. Overview of Effects on Wetlands and Floodplains IV-344
E. ALTERNATIVE C IV-345
1. Soils IV-346
2. Paleontological Resources IV-347
3. Water Resources IV-349
4. Freshwater Quality IV-352

MASTER TABLE OF CONTENTS (Continued)

5. Estuarine Water Quality IV-354
6. Air Quality IV-355
7. Vegetation IV-356
8. Fish Resources IV-359
a. Freshwater and Anadromous/Amphidromous Fish IV-359
b. Marine Fish IV-362
c. Essential Fish Habitat IV-363
9. Birds IV-363
10. Mammals IV-369
a. Terrestrial Mammals IV-369
b. Marine Mammals IV-371
11. Endangered and Threatened Species IV-373
12. Economy IV-380
13. Cultural Resources IV-381
14. Subsistence-Harvest Patterns IV-384
15. Sociocultural Systems IV-386
16. Environmental Justice IV-389
17. Coastal Zone Management IV-390
18. Recreation Resources and Wilderness IV-392
19. Wild and Scenic Rivers IV-394
20. Visual Resources IV-396
21. Overview of Effects on Wetlands and Floodplains IV-399
F. EFFECTS OF THE CUMULATIVE CASE IV-401
1. Introduction IV-401
2. Structure of the Cumulative Analysis IV-402
3. Guiding Principles of the Analysis IV-402
4. Scope of the Analysis IV-403
5. "Significance" IV-404
6. Other Information about Cumulative Effects IV-404
7. Major Factors Considered in the Cumulative Effects Analysis IV-406
8. Analysis of Cumulative Effects by Resource IV-419
a. Soils IV-419
b. Paleontological Resources IV-420
c. Water Resources IV-421
d. Freshwater Quality IV-422
e. Estuarine Water Quality IV-424
f. Air Quality IV-425
g. Vegetation IV-428
h. Fish Resources IV-429
(1) Freshwater and Anadromous/Amphidromous Fish IV-429
(2) Marine Fish IV-431
i. Birds IV-432
j. Mammals IV-439
(1) Terrestrial Mammals IV-439
(2) Marine Mammals IV-443
k. Endangered and Threatened Species IV-449
(1) Bowhead Whale IV-450
(2) Spectacled and Steller's Eiders IV-459
l. Economy IV-465
m. Cultural Resources IV-469
n. Subsistence-Harvest Patterns IV-470
o. Sociocultural Systems IV-487
p. Environmental Justice IV-491
q. Coastal Zone Management IV-496
r. Recreation Resources and Wilderness IV-497
s. Wild and Scenic Rivers IV-498

MASTER TABLE OF CONTENTS (Continued)

t. Visual Resources IV-499
u. Overview of Effects on Wetlands and Floodplains IV-500
9. Incremental Contribution of Alternatives to Cumulative Effects IV-501
10. Cumulative Effects Outside of the Planning Area from the Transport of Northwest NPR-A Produced Oil IV-502
G. UNAVOIDABLE ADVERSE EFFECTS IV-504
H. RELATIONSHIP BETWEEN THE LOCAL SHORT-TERM USES AND MAINTENANCE AND ENHANCEMENT OF LONG-TERM PRODUCTIVITY IV-510
I. IRREVERSIBLE AND IRRETRIEVABLE COMMITMENT OF RESOURCES IV-517
J. LOW-PROBABILITY, VERY LARGE OIL SPILL IV-522
1. Introduction IV-522
2. Blowout Assumptions IV-524
3. Behavior of a Blowout Oil Spill During Winter IV-525
4. Behavior of Spills During Summer IV-526
5. Effects of a Low-Probability, Very Large Oil Spill IV-526
a. Soils IV-526
b. Paleontological Resources IV-526
c. Water Resources IV-526
d. Freshwater Quality IV-527
e. Estuarine Water Quality IV-527
f. Air Quality IV-527
g. Vegetation IV-528
h. Fish Resources IV-528
(1) Freshwater and Anadromous/Amphidromous Fish IV-528
(2) Marine Fish IV-529
i. Birds IV-529
j. Mammals IV-532
(1) Terrestrial Mammals IV-532
(2) Marine Mammals IV-532
k. Endangered and Threatened Species IV-533
(1) Bowhead Whale IV-533
(2) Spectacled and Steller's Eiders IV-534
l. Economy IV-536
m. Cultural Resources IV-537
n. Subsistence-Harvest Patterns IV-537
o. Sociocultural Systems IV-537
p. Environmental Justice IV-538
q. Coastal Zone Management IV-538
r. Recreation Resources and Wilderness IV-539
s. Wild and Scenic Rivers IV-539
t. Visual Resources IV-540
u. Overview of Effects on Wetlands and Floodplains IV-540
6. Comparison of Alternatives IV-540
K. POSSIBLE BUT UNLIKELY PERMANENT ROADS IV-541
1. Scenario for a Possible Permanent Road within the Northwest NPR-A Planning Area IV-541
2. Scenario for a Possible Permanent Road Connecting Northwest NPR-A to Outside the Planning Area IV-542
3. Effects IV-542
a. Soils IV-543
b. Paleontological Resources IV-543
c. Water Resources IV-544
d. Freshwater Quality IV-546
e. Air Quality IV-546
f. Vegetation IV-546
g. Fish Resources IV-546
(1) Freshwater and Anadromous/Amphidromous Fish IV-546

MASTER TABLE OF CONTENTS (Continued)

(2) Marine Fish IV-547
h. Birds IV-547
i. Mammals IV-548
(1) Terrestrial Mammals IV-548
(2) Marine Mammals IV-549
j. Endangered and Threatened Species IV-549
k. Economy IV-550
l. Cultural Resources IV-551
m. Subsistence Harvest Patterns IV-552
n. Sociocultural Systems IV-554
o. Environmental Justice IV-554
p. Coastal Zone Management IV-555
q. Recreation Resources and Wilderness IV-555
r. Wild and Scenic Rivers IV-556
s. Visual Resources IV-556
t. Overview of Effects on Wetlands and Floodplains IV-557

Volume 2

V. PREFERRED ALTERNATIVE AND ITS CONSEQUENCES V-11
A. OVERVIEW OF THE PREFERRED ALTERNATIVE V-11
B. ENVIRONMENTAL CONSEQUENCES OF THE PREFERRED ALTERNATIVE V-13
1. Soils V-13
2. Paleontological Resources V-17
3. Water Resources V-19
4. Freshwater Quality V-25
5. Estuarine Water Quality V-34
6. Air Quality V-39
7. Vegetation V-47
8. Fish Resources V-56
a. Freshwater and Anadromous/Amphidromous Fish V-56
b. Marine Fish V-66
c. Essential Fish Habitat (EFH) V-71
9. Birds V-72
10. Mammals V-83
a. Terrestrial Mammals V-83
b. Marine Mammals V-98
11. Endangered and Threatened Species V-102
12. Economy V-117
13. Cultural Resources V-120
14. Subsistence-Harvest Patterns V-123
15. Sociocultural Systems V-140
16. Environmental Justice V-143
17. Coastal Zone Management V-151
18. Recreation Resources and Wilderness V-162
19. Wild and Scenic Rivers V-165
20. Visual Resources V-167
21. Overview of Effects on Wetlands and Floodplains V-171

VI. CONSULTATION AND COORDINATION VI-3
A. FORMAL SCOPING VI-3
B. AGENCIES AND ORGANIZATIONS CONTACTED VI-4
C. PUBLIC REVIEW AND COMMENT ON THE DRAFT IAP/EIS VI-5
D. DEVELOPMENT OF THE PREFERRED ALTERNATIVE VI-5
E. GOVERNMENT-TO-GOVERNMENT VI-6

MASTER TABLE OF CONTENTS (Continued)

F. LIST OF PREPARERS FOR FINAL IAP/EIS VI-8

VII PUBLIC COMMENTS ON THE DRAFT IAP/EIS VII-5
A. SUMMARY OF COMMENTS ON THE DRAFT IAP/EIS VII-5
B. COMMENTING AGENCIES, ORGANIZATIONS, AND INDIVIDUALS VII-6
C. GENERAL COMMENTS AND RESPONSES VII-11
D. SPECIFIC COMMENTS AND RESPONSES VII-14
1. TOPIC : PREFERRED ALTERNATIVE VII-14
2. TOPIC : STIPULATIONS-GENERAL VII-15
3. TOPIC : WILD AND SCENIC RIVERS VII-15
4. TOPIC : MANAGEMENT VII-17
5. TOPIC : PURPOSE OF NPR-A VII-21
6. TOPIC : PLANNING VII-25
7. TOPIC : STIPULATIONS, REQUIRED OPERATING PROCEDURES, AND MITIGATIONS VII-31
8. TOPIC : SPECIAL DESIGNATION AREAS VII-83
9. TOPIC : MONITORING FOR COMPLIANCE VII-95
10. TOPIC : CRITERIA FOR RANGE OF ALTERNATIVES VII-97
11. TOPIC : CONSULTATION WITH OTHER FEDERAL AGENCIES VII-110
12. TOPIC : LAND EXCHANGE VII-110
13. TOPIC : SITE CLEARANCE AND REQUIREMENTS FOR RESTORATION VII-112
14. TOPIC : POSSIBLE NORTHEAST NPR-A AMENDMENT VII-113
15. TOPIC : CABINS AND CAMPS VII-114
16. TOPIC : STATUS AND ALLOTMENTS VII-114
17. TOPIC : MINING VII-116
18. TOPIC : SUBSISTENCE ADVISORY PANEL VII-117
19. TOPIC : LEGAL VII-119
20. TOPIC : PURPOSE AND NEED VII-122
21. TOPIC : WILDERNESS AREAS VII-123
22. TOPIC : TIMING VII-128
23. TOPIC : SEASONAL ROADS AND DRILLING PADS VII-129
24. TOPIC : DEVELOPMENT FIELD LAYOUT VII-129
25. TOPIC : WELL DRILLING VII-130
26. TOPIC : WATER DEMAND VII-131
27. TOPIC : TRANSPORTATION VII-131
28. TOPIC : INFRASTRUCTURE VII-133
29. TOPIC : GLOBAL WARMING VII-134
30. TOPIC : JURISDICTIONAL ISSUES VII-134
31. TOPIC : ALTERNATIVES- GENERAL VII-135
32. TOPIC : BIRDS VII-138
33. TOPIC : AIR QUALITY VII-172
34. TOPIC : IMPACT EVALUATION VII-175
35. TOPIC : TERRESTRIAL MAMMALS VII-176
36. TOPIC : MARINE MAMMALS VII-177
37. TOPIC : CARIBOU VII-192
38. TOPIC : THREATENED AND ENDANGERED SPECIES VII-205
39. TOPIC : OIL SPILLS AND SCENARIO VII-210
40. TOPIC : ROADLESS AREAS AND DEVELOPMENT VII-215
41. TOPIC : CULTURAL RESOURCES VII-218
42. TOPIC : ANILCA VII-219
43. TOPIC : ENVIRONMENTAL JUSTICE VII-224
44. TOPIC : SUBSISTENCE VII-225
45. TOPIC : FISH VII-234
46. TOPIC : RESEARCH AND MONITORING TEAM VII-239
47. TOPIC : OUTSIDE OF THE SCOPE OF THE IAP/EIS VII-241
48. TOPIC : CUMULATIVE IMPACTS AND ANALYSES VII-243

MASTER TABLE OF CONTENTS (Continued)

49. TOPIC : ECONOMY VII-247
50. TOPIC : REQUIRED PERMITS VII-251
51. TOPIC : SOCIOCULTURAL SYSTEMS VII-251
52. TOPIC : VEGETATION VII-254
53. TOPIC : WETLANDS VII-258
54. TOPIC : GOVERNMENT-TO-GOVERNMENT VII-258
55. TOPIC : GEOLOGY VII-269
56. TOPIC : CUMULATIVE SCENARIO VII-273
57. TOPIC : WATER QUALITY VII-278
58. TOPIC : GRAVEL VII-279
59. TOPIC : NEPA PROCESS VII-281
60. TOPIC : SPILL-PREVENTION AND RESPONSE VII-290
61. TOPIC : COASTAL ZONE MANAGEMENT VII-296
62. TOPIC : KASEGALUK LAGOON VII-301
63. TOPIC : PIPELINE CONSTRUCTION VII-302
64. TOPIC : WATER RESOURCES VII-303
65. TOPIC : ESTUARINE WATER QUALITY VII-305
66. TOPIC : EFFECTS OF SPILLS VII-306
67. TOPIC : BASIC ASSUMPTIONS/SCENARIO VII-307
68. TOPIC : SOILS VII-329
69. TOPIC : SEISMIC SURVEY ACTIVITY VII-330
70. TOPIC : ROADS VII-335
71. TOPIC : RIGHT OF WAY VII-339
72. TOPIC : IMPACT COMPENSATION VII-340
73. TOPIC : STIPULATION SPECIFIC VII-344
74. TOPIC : LAND OWNERSHIP AND USES VII-346
75. TOPIC : WATER WITHDRAWAL VII-346
76. TOPIC : VISUAL RESOURCE MANAGEMENT VII-348
77. TOPIC : EDITORIAL VII-350
78. TOPIC : PALEONTOLOGICAL RESOURCES VII-353
79. TOPIC : TRADITIONAL LAND USE SITES VII-354
80. TOPIC : POTENTIAL IMPACTS VII-355
81. TOPIC : STUDIES VII-355
82. TOPIC : TUNDRA TRAVEL VII-356
83. TOPIC : PERMITTING VII-356
