Dear Western Oregon BLM,

✓ 100

I am an Oregonian who is against your proposal to open almost 2 million acres of old-growth + streamside areas for logging. The decimation of what is left of Oregon's natural legacy must be stopped and protection must continue for these pristine lands. We are counting on Oregon's BLM to protect them.

Sincerely,

Name: Kristena Cox & Justin Schmick

Address: 1600 Oak St

Eugene, OR

97401
