Dear Western Oregon BLM,

I want to know that as a citizen of Oregon I oppose opening any old-growth and streamside reserves to logging! What legacy are we leaving our children and grandchildren? Where will we all go to enjoy the miracle of witnessing the nature that has been around us for generations? Let's keep what we have left!

Sincerely,

Name: Theresa A Jones

Address: 2725 Laurelwood Lane
Eugene, OR 97403
