BOARD OF COMMISSIONERS

Linda Modrell, Commissioner

RECEIVED

SEP 06 2007

August 31, 2007

Ed Shephard
Bureau of Land Management
333 SW 1st Avenue
Portland, OR 97204

Mr. Shephard:

I certainly appreciate all the work put in on the Draft Environmental Impact Statement for the Revision of the RMPs for the Western Oregon BLM Districts.

However, I must request an extension of the public comment period for another 120 days because time required top review such a large document.

I do appreciate any consideration you can give to this request.

Sincerely,

Linda Modrell
Commissioner
