July Tidepool Discovery Schedule at Yaquina Head

Newport, Ore.— The Bureau of Land Management (BLM) at Yaquina Head Outstanding Natural Area invites you to explore the tidepools at Cobble Beach. Use the calendar below for the month of July to find the best times for visiting and learning about the intertidal plants and animals that call Yaquina Head their home. Park Rangers will be roving Cobble Beach to provide orientation, answer questions and help you safely explore the tidepools.

July 2016: Low Tide Discovery Times at Cobble Beach

-BLM-

The BLM manages more than 245 million acres of public land, the most of any Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's mission is to sustain the health, diversity, and productivity of America's public lands for the use and enjoyment of present and future generations. In Fiscal Year 2015, the BLM generated $4.1 billion in receipts from activities occurring on public lands.
