MEDFORD OR 975

Please Remove Lake Creek as a potential BLM off-highway vehicle site in the BLM's Medford District. Permitting OHV use in the Lake Creek area will disturb wild life, create erodible ruts on forest land, contaminate local creeks that are a principal source of Rogue wild salmonid smolt and anger private land owners whose property rests in neighboring areas. Preserve Lake Creek's natural resources, beauty and serenity by allowing only low impact recreational activities.

Thank you
