Western Oregon Plan Revisions: BLM.
P.O. Box 2965
Portland, Oregon 97208.

Dear Sirs;

Please accept my following comments: BLM. Western Oregon Plan Revisions.

I urge that the areas wildernesses, river, biological, scenic and cultural attributes be fully preserved.
And to secure a conservation program for air, soil, and water resources.
To create an old growth preservation system.
and to establish Wildlife Fish Plant Habitat Sanctuary areas.
With all Roadless areas to be protected.
To conserve all water areas.
and to eliminate vehicles as they promote air and water pollution.
With a roads obliteration program.

To establish this area as a Preserve.
and to designate the WOPR BLM Wilderness 1,230,000 acres.

Let us save our Nations Natural Heritage!

Sincerely,
John R. Swanson.
