RECEIVED
DEC 17 2007

Dear Bureau Staff,

Please add my name to the list of people who strongly urge you not to increase the clear-cutting in Western Oregon.

What has already been taken away is already too much. An increase is completely unacceptable.

Would you please take a moment to think about how big an impact your decision can be on the people and all living beings for generations to come?

I thank you deeply for your consideration.

Sincerely,

B. Lynne Schwartz
