Subject Land Grabs

Ralph Deckard
ralphdeckard@verizon.net quit stealing our public lands and closing them off to 4 wheeling,and caving into all these wacko,leftist,socialist,environmental nut cases,we the American people are getting more pissed off about this,we are dam tired of both the BLM & Forest Service siding with them,we are NOT destroying our lands,but you are destroying our freedoms and liberties and not saving anything,time to put a stop to this Bull/Shit.
