WOPR

1765

To whom it concerns

RECEIVED
JAN 09 2008

I see a need for wood + lumber, and use and harvest wood from our lot.

[redacted] is [redacted] money.

In light of the complexities of forest ecosystems and global climate change it seems apparent that we now only [redacted] thin extensively, [redacted] near death age.

For a sustainable forest, economy, and human existence. No WOPR

Thanks

Sincerely
