YOU GUYS HAVE GOT TO BE KIDDING ME! THERE IS SOO MUCH WRONG W/THIS PROPOSAL. STARTING W/NOTICATION OF ADJOINING PROPERTY OWNERS. WHICH DID NOT HAPPEN. A CONCERNED CITIZEN'S GROUP NOTIFIED ME.-WRONG!
LOOK YOU GUYS AREN'T EVEN REMOTELY PAYING ATTENTION ESPECIALLY WHEN YOU CAN EASILY SEE THE "EXTENSIVE" DAMAGE-AND-COLLATERAL DAMAGE IN THE ELLIOTT CRK AREA. IT'S ~~THA~~ FLAT-OUT MIND BLOWING ON ALL LEVELS: ENVIRONMENT, DUMPING + LITTERING, CRIMINAL ACTIVITY ON & ON IT'S FLAT OUT "CRIMINAL" THE ~~BLM~~ WAY THE BLM HAS NOT SUPERVISED ANY OF THIS ACTIVITY THEN YOU'RE GOING TO GIVE THE O.K. AND ENLARGE DAMAGABLE AREA. YOU GUYS CAN'T EVEN PUT UP THE RIGHT SIGNS. I DO MORE ABOUT THE PROBLEMS OUT HERE THAN ANYONE ELSE. TALKING W/POLICE PICKING UP THE AREAS AROUND OUR AREA. AT THE VERRY MINIMUM A "BUFFER AREA" BETWEEN THE RESIDENCE(S) AND THE AREA THAT WILL NOW BECOME THE SURFACE OF THE MOON. HOW FOOLISH: YOU CAN'T EVEN ENFORCE YOUR TRADITIONAL AREAS OF CONCERN: ENFORCING LOG CONTRACTS W/ROAD MAINENENCE GENERATIONS TO COME WILL DEFINITELY PAY FOR THIS MISTAKE. YEAH MAKE IT EASY FOR OHV PEOPLE + TO HELL W/ TRADITIONAL USES PICNICKING, HIKING ETC. IF YOU'RE GOING TO DO THIS PUT IT DEEP INTO WOODS! FOOLS!

SINCERELY
