Subject Western Oregon Plan Revision
P.O. Box 2965

Dear Sir,

I would like to express my Opposition to The Western Oregon Plan Revision.

There should be no return to Harvest any of the remaining Old Growth. No new road construction should be permited.

I do believe that there could be a substainal increase in Timber sales in the logs take from previously cut ground in a substainable manner.

As a native Oregon resident I have spent my life working in relationship with the forest industry. It should be the responsibilty of The BLM to manage My forest for future Generations, with all the Bio Diversity that there is today.

As a Member of the First Church of The Lower Umpqua, we oppose "The Western Oregon Plan Revision", 10 people to 1 person.

Thank you for Your Consideration
Sincerly,

Jeffery M. Rich
