Dear State Director of Geospatial Services F. David Radford,

Dear Bureau of Land Management ("BLM"),

I strongly support the proposed mineral withdrawal to protect the watershed of the Boundary Waters Canoe Area Wilderness ("Boundary Waters"). The threats posed by sulfide-ore copper mining are unjustifiable in the watershed of such a sensitive and important area.

I urge the BLM to withdraw the 225,378 acres of national forest lands to protect the Boundary Waters from the threat of endless sulfide-ore copper mining pollution. Thank you for the opportunity to comment.

Sincerely,
Adalai Rader
