Revising the BLM's Resource Management Plans in Western Oregon

WESTERN OREGON PLAN REVISIONS

My Husband 8yr old daughter my 3 yr old son and myself look forward to going to the peak and Elderberry flats during the summer every weekend or every other weekend. It keeps my daughter in line and it teaches he Respect and she has fun all at the same time. She is active and Challenged. Keeps her wanting to stay off Drugs (or will when she gets older) Keeps her in line and we all play as a family - what then if we have no where to Ride and be a family -

- Please see the Big Picture and how it will effect Not only the Adults, but our future as well -

Thank you

Elizabeth Jackson
