Dear Ms. Bittner:

The Bureau of Land Management Alaska is preparing an Integrated Activity Plan/Environmental Impact Statement (IAP/EIS) for the Northwest Planning Area of the National Petroleum Reserve – Alaska (NPR-A). Consistent with the National and State Programmatic Agreements and protocols we are inviting your participation and comments in this planning effort in order to reduce the potential for cultural resource conflicts with other resource uses when the IAP/EIS is implemented.

Please feel free to contact me at 907-474-2311 or Mike Kleven (907-474-2317) regarding information needs or questions you may have.

Sincerely,

for Michael L. Kunz
Archaeologist
