Dear State Director of Geospatial Services F. David Radford,

Dear Bureau of Land Management,

I strongly support the proposed mineral withdrawal to protect the watershed of the Boundary Waters Canoe Area Wilderness. Please do not destroy my country and my world for a little bit of cash. It makes me physically ill to think about such destruction. My peers, my future children, your children, and myself all deserve to live a life full of beauty and health. For the sake of humanity, please keep the wilderness wild.

Sincerely,
Laura Vandzura
