Randal, Jennifer:

I got notice of a meeting from Mark Lawyer this morning for a different FDMS/regulations.gov initiative that overlaps our Wednesday timeframe. This is a government-wide group, so I can't move this time.

Would you guys be OK with moving our meeting to either 1:30 or 3:30?

Let me know.

substantive. If most are like the ones I opened it should not take reviewers long to deal with each one - or the system may flag them as form/identical and we might not need to look at them at all.

Do you both have time to talk before the Wednesday session, either tomorrow or Wed morning? At this point my schedule is open both time periods, so will do whatever works best for the two of you. I am very busy today, however.
