Subject:	Draft Proc amend re NE
Date:	Sunday, August 13, 2017 7:17:27 PM
Attachments:	Draft amend to NW Canyons and Seamounts Proc.docx

---

This is attached. I am presuming we will take the supporting text from the report, once we agree on (b) (5) [redacted] with NOAA, and so just have the suggested amendment here. The form is different from the Pacific ones, since the (b) (5) [redacted] here are in individually numbered paragraphs, while in the Pacific they are contained in parts of sentences.

(b) (5) DPP
