Thanks for the update - keep up the good work. I'll stop by later this morning.

I noticed a lot of entries were mail in comments which were already updated in FDMS. Marcia needed all submissions over 1,000 for her report, which is the reason I didn't include the ones with lower numbers.

Unfortunately, he didn't mention the number of submissions on the spreadsheet, so we'll count the names manually. The others are recent ones you gave us from Exec Sec.

let it go, and just focus on numbers - the list Marcia got this morning will have enough group names to address that request.

Hi Marcia,

Attached is a spreadsheet with Bulk Extracts up to July 20th. I've only included the entries that had over 1,000 submissions. This is not totally complete yet, but will continue to work on it over the weekend.
