To: Michael Weiss - NOAA Federal <Michael.weiss@noaa.gov>

I have lost track of what I have shared, and I'm sure I overlooked sending our 2nd data call, sent out yesterday, so am attaching both to be on the safe side. The 2nd one was part of the agenda for the DOI review team meeting today, and its easier not to try cutting it out.

Responses from the first are being handled by our economists, the second by myself and other non-economists.
