Subject: Re: oil, gas, coal, and mineral leases within Monuments
Date: Tuesday, May 09, 2017 2:39:47 PM

Hi,

Thank you very much for helping with this. I think it would also be helpful to have geospatial information on the Monuments also if that is possible.

Ben

I look forward to answering your question and, if confirmed, representing the interest of our great nation and giving a voice to all Americans, to include our great Indian Nations, on how we manage and sustain our public lands and treasures they contain.

-Secretary Zinke
