It was not Jim Cason, but Solicitors. and the non-comments, not all of the mail-in ones. I will need to bring someone by to look at the the non-comments next week and will ask about the rest of them as well. For now the general mailed-in comments can be stacked up in a corner. Please keep the non-comments (notebooks, Obama postcards, received too late etc) where I can access them. Will try to get everything out as soon as possible.
