TABLE OF CONTENTS, VOLUME 5

APPENDICES

Appendix A: ANILCA Section 810 Analysis of Subsistence Impacts A-1
Appendix B: Federal, State, and Local Permits and/or Approvals for Oil and Gas Exploration, Development, and Production Activities B-1
Appendix C: Essential Fish Habitat C-1
Appendix D: Alternative A Stipulations D-1
Appendix E: Alternatives B and C Stipulations and Required Operating Procedures E-1
Appendix F: Alternative D Stipulations and Required Operating Procedures F-1
Appendix G: Examples of Public Health Mitigation Strategies G-1
Appendix H: Common, Scientific and Inupiaq Names of Species Listed in Supplemental IAP/EIS H-1
Appendix I: Historic Sites I-1
Appendix J: BLM Sensitive Species List for Alaska J-1
Appendix K: Information, Models, and the Assumptions Used to Analyze the Effects of Oil Spills K-1
Appendix L: Northeast National Petroleum Reserve-Alaska Integrated Activity Plan/ Environmental Impact Statement, 1998 Record of Decision L-1

GLOSSARY
LIST OF ACRONYMS

LIST OF TABLES

Table I-1. Documented Alaska Heritage Resource Services Sites I-1
Table I-2. Documented Traditional Land Use Inventory Sites I-6
Table K-1. Oil Spill Scenario Assumptions for the Alternatives K-4
Table K-2. Large Crude Oil Spills Estimated Over the Production Life of the Northeast National Petroleum Reserve – Alaska K-8
Table K-3. Small Crude Oil Spills Estimated Over the Production Life of the Northeast National Petroleum Reserve – Alaska K-10
Table K-4. Small Refined Oil Spills <500 bbl Estimated Over the Production Life of the Northeast National Petroleum Reserve – Alaska K-11
Table K-5. Fate and Behavior of a Hypothetical 500 bbl Oil Spill From Lagoon Pipelines K-12
Table K-6. Fate and Behavior of a Hypothetical 900 bbl Oil Spill From a Lagoon Facility K-13
Table K-7. Oil Spill Rates and Spill-size Categories Used to Estimate Large Crude Oil Spills for the Cumulative Analysis K-14
Table K-8. Cumulative Oil-Spill-Occurrence Estimates ≥500 bbl and ≥1,000 bbl over Assumed 15-20 Year Production Life of the Northeast National Petroleum Reserve – Alaska K-16

Other Volumes of the Northeast National Petroleum Reserve-Alaska Final Supplemental IAP/EIS Include:

VOLUME 1
Chapter 1 – Introduction
Chapter 2 – Alternatives
Chapter 3 – Affected Environment

VOLUME 2
Chapter 4 – Environmental Consequences (sections 4.1 – 4.6)

VOLUME 3
Chapter 4 – Environmental Consequences (continued: sections 4.7 – 4.12)

VOLUME 4
Chapter 5 – Consultation and Coordination
Chapter 6 – Comments and Responses

VOLUME 6: Maps
