From: Suzanne Kreepsch, 6151 Belmont, Parker, CO 80134

Just say "NO" to Uranium Mining in the Colorado River/Grand Canyon!

To Whom It May Concern:

Please extend the moratorium which bans new mining claims on the Grand Canyon Watershed.

The action will prevent new uranium mines that would threaten the G. Canyon and would contaminate underground aquifers. We must protect this water source for 30 million people and millions of acres of farms. Please place my comments in the official public record of the environmental impact statement.

DENVER CO 802

DEAR SIR -

I AM CONCERNED ABOUT NEW (AND OLD) URANIUM MINES IN THE GRAND CANYON WATERSHED. I SUPPORT EXTENDING THE CURRENT 2 YR MORATORIUM FOR 20 YRS VIA "ALTERNATIVE B." PLEASE PLACE MY COMMENTS IN THE OFFICIAL PUBLIC RECORD OF THE ENVIRONMENTAL IMPACT STATEMENT.

Sincerely,
David W Kroepsch
