Alternatives Considered but not Selected I

Consultation and Coordination II

Public Involvement II

Comments Received III

Response to Comments III

Changes Incorporated into the Final Wilderness Management Plan V

Plan Consistency VIII

Administrative Remedies VIII

Chapter 1: Introduction and Background 1

1.1 Introduction 1

1.2 Plan Layout 2

1.3 Location and Legislative History 2

1.4 Planning Area and Relationship of the Wilderness Management Plan to Existing Management Plans 5

1.5 Wilderness Character 6

1.5.1 Background on Wilderness Character 6

1.5.2 Managing for Wilderness Character 10

1.6 Planning Issues 10

Chapter 2: Current Conditions and Trends in Wilderness Character and Management 13

2.1 Introduction 13

2.2 Natural 13

2.2.1 Chaparral 14

2.2.2 Coastal Beach and Intertidal Zone 17

2.2.3 Coastal Scrub 17

2.2.4 Forest 18

2.2.5 Grassland 19

2.2.6 Rivers and Streams 20

2.2.7 Fire and Fuels Management 23

2.2.8 Infection and Disease 24

2.2.9 Invasive Species 27

2.3 Undeveloped 30

2.3.1 Livestock Grazing Management 30

2.3.2 Private Land (Inholding and Edgeholding) Access 34

2.3.3 Existing Life Estates 40

2.3.4 Rights-of-Way 41

2.4 Solitude or Primitive and Unconfined Recreation 41

2.4.1 Trends in Visitor Experience and Visitation Levels 42

2.4.2 Recreation Facilities 47

2.4.3 Management of Visitor Use 52

2.4.4 Recreation Facilities Management 53

2.4.5 Public Outreach and Interpretation 54

2.4.6 Wilderness Search and Rescue 55

2.5 Untrammeled 57

2.6 Unique/Supplemental Values 57

2.6.1 Cultural Resources 57

2.6.2 Native American Values 59

2.6.3 Geologic Processes and Coastal Terraces 59

2.6.4 Threatened and Endangered Species 60

2.6.5 Wild and Scenic Rivers 62

2.6.6 Research 62

Chapter 3: Proposed Wilderness Plan 63

3.1. Introduction 63

3.2 Management Vision for the King Range Wilderness and Rocks and Islands Wilderness Areas 63

3.3 Management Actions to Maintain or Achieve Naturalness 64

3.3.1 Grassland 64

3.3.2 Fire and Fuels Management..... 67

3.3.3 Invasive Plant Species.....71

3.4 Management Actions to Maintain or Achieve an Undeveloped Quality 72

3.4.1 Livestock Grazing Management 72

3.4.2 Private Land (Inholding and Edgeholding) Access..... 76

3.4.3 Life Estates 76

3.4.4 Rights-of-Way 76

3.5 Solitude or Primitive and Unconfined Recreation Opportunities 79

3.5.1 Visitor Access 79

3.5.2 Managing Visitor Impacts 85

3.5.3 Recreation Facilities 87

3.5.4 Public Information and Management Presence 93

3.5.5 Wilderness Search and Rescue 94

3.6 Management in Support of Unique/Supplemental Values 95

3.6.1 Cultural Values..... 96

3.6.2 Research..... 97

3.7 Supporting Actions..... 99

3.7.1 Chaparral and Coastal Scrub..... 99

3.7.2 Forest..... 99

3.7.3 Infection and Disease 100

3.7.4 Coastal Beach, Intertidal Zone, Rocks and Islands 100

3.7.5 Native American Values 101

3.7.6 Research 101

3.7.7 Threatened and Endangered Wildlife Species 102

3.7.8 Rivers and Streams 102

3.8 Monitoring 102

Chapter 4: Environmental Assessment (EA# CA-AR-09-03) 105

4.1 Introduction 105

4.1.1 Readers Guide 105

4.1.2 Background and Setting and Planning Area Decision 105

4.1.3 Purpose and Need for Action and Decision to be Made 105

4.1.4 Conformance with Land Use Plan and Northern California Coastal Wild Heritage Wilderness Act 105

4.1.5 Relationship to Statutes, Regulations and Other Plans 106

4.1.6 Scoping and Issues 106

4.2 Proposed Action and Alternatives 107

4.2.1 Proposed Action—Wilderness Management Plan 107

4.2.2 No Action Alternative—Continued Management Under Current Direction 107

4.2.2.1 Introduction 107

4.2.2.2 Management Actions to Maintain or Achieve Naturalness 107

4.2.2.3 Management Actions to Maintain or Achieve an Undeveloped Quality 108

4.2.2.4 Management Actions to Maintain or Achieve Solitude or Primitive and Unconfined Recreation Opportunities 109

4.2.2.5 Management in Support of Unique/Supplemental Values 110

4.3 Affected Environment 113

4.4 Environmental Effects 113

4.4.1 Approach to the Analysis 114

4.4.2 Effects of No Action Alternative 114

4.4.2.1 Summary of Impacts to Wilderness Character 115

4.4.2.2 Detailed Analysis of Affects on Wilderness Character 116

4.4.3 Effects of Proposed Action 124

4.4.3.1 Summary of Impacts to Wilderness Character 124

4.4.3.2 Detailed Analysis of Affects on Wilderness Character 125

4.4.4 Supplemental Authorities 138

4.4.5 Cumulative Effects 140

4.4.5.1 Cumulative Impacts From Management of Grasslands, Invasive Weeds, Fire and Fuels, and Recreation 140

Finding of No Significant Impact Determination 145

Chapter 5: Consultation and Coordination..... 149

5.1 Planning Team Members and Consultation 149

5.1.1 Tribes, Individuals, Organizations and Agencies Consulted 149

5.1.2 Planning Team Members 150

Chapter 6: Bibliography..... 151

Appendix A—Congressional Wilderness Grazing Guidelines.... 155

Appendix B—Minimum Requirements Decision Summaries ... 159

Introduction..... 159

Native Plant Reintroduction and Restoration—Vehicle Transport..... 160

Fuel Break Maintenance 162

Fire Suppression Damage Repair and Emergency Stabilization 163

Invasive, Non-native Species Removal 164

Livestock Grazing Management—Range Management Facilities 166

Trail Maintenance 168

Search and Rescue (SAR) Activities Using Motorized Vehicles..... 169

Evaluation of National Register of Historic Places Eligibility 170

Punta Gorda Lighthouse Maintenance and Stabilization **171**

Debris and Trash Removal from Wilderness **171**

Appendix C—Minimum Impact Suppression Techniques (MIST) Implementation Guidelines For Fire Suppression & Worksheet for use of Tracked Equipment 175

MIST Implementation Guidelines **175**

Establishing and Setting Up Camp **175**

Helispot Construction **176**

Fire Lining Phase **177**

Mop-up Phase **178**

Aquatic Invasive Species Mitigation Measures **179**

Fire Situation Analysis for Use of Track-Type Equipment **181**

Appendix D—Annual Trail Work Plan 183

Appendix E—Search Urgency Worksheet 187

Appendix F—Research Stipulations 189

Appendix G—Planning Issues—
Internal and External Scoping 195

Public Use—Solitude or Primitive and Unconfined Recreation **195**

**Private Land/Neighboring Land and Use Authorizations—
Undeveloped Setting** **196**

Natural Resource Management and Restoration—Naturalness **197**

Fire and Search and Rescue—Untrammeled Condition **197**

Research and Traditional Uses—Special Values **198**

**Issues Resolved Through Existing Policy and Planning, or
Otherwise Outside of the Scope of this Plan** **199**

List of Acronyms

ATV	All Terrain Vehicle
AUM	Animal Unit Month
BLM	Bureau of Land Management
BSB	Black Sands Beach
CALFIRE	California Department of Forestry and Fire Protection
CCNM	California Coastal National Monument
CFR	Code of Federal Regulations
EA	Environmental Assessment
EMS	Emergency Medical System
FR	Federal Register
HCSO	Humboldt County Sherriff's Office
LCT	Lost Coast Trail
MIST	Minimum Impact Suppression Techniques
MRC	Mattole Restoration Council
NCA	National Conservation Area
NEPA	National Environmental Policy Act
NLCS	National Landscape Conservation System
NRHP	National Register of Historic Places
RMP	Resource Management Plan
ROW	Rights-of-Way
SAR	Search and Rescue
SRP	Special Recreation Permit
US	United States
USC	United States Code
USCG	United States Coast Guard
USDI	United States Department of the Interior
