### END OF DESCRIPTION

The above description containing approximately 42,562 acres utilizes the Cane Canyon, Freeman Junction, Horse Canyon, Onyx, Owens Peak, Walker Pass, and Weldon 7.5 minute quadrangle maps prepared by the U.S.G.S. The boundary calls listed herein are in part a result of scaling distances from said quadrangle maps and are not a result of survey. All courses have been depicted upon the above mentioned quadrangle maps and are made a part of this official record. Acreage is calculated from the BLM California State Office ArcInfo wilderness coverage.

I hereby certify the legal description and map herewith represent the location of the boundary of the Kiavah Wilderness area designated by the California Desert Protection Act, Public Law 103-433, dated October 31, 1994.
