Are you able to commit to a 160 hour experience between June 2014 and August 2014?

Do you have experience creating project based lesson plans for your classroom? If so can you explain this experience and provide an example (you can attach it to your application).

For this experience teachers will need to develop content knowledge that includes understanding BLM systems and human interaction within these systems. Provide an example where you developed content knowledge on a subject and related that knowledge in your classroom.
