DEAR PENNY WOOD - BLM

I Believe the SOUTHERN NEVADA'S WATER AUTHORITY WATER GRAB INTO EASTERN NEVADA SHOULD BE STOPPED. IT SIMPLY IS NOT SUSTAINABLE. AND WILL TEAR UP AND FRAGMENT THE ECOLOGY OUT THERE.

- YOU NEED TO EXTEND THE COMENT PERIOD ANOTHER 90 DAYS
- MORE STUDY NEEDS TO BE DONE ON EACH WELL SITE - WHAT IMPACTS EACH ONE WILL HAVE
- WHERE IS VEGAS GETTING ALL THIS MONEY - WILL IT EVENTUALLY BE THE STATE OF NEVADA? ALL US TAX PAYERS
- WHY CAN'T VEGAS BUY FARMERS WATER RIGHTS FROM THE COLORADO RIVER - A RENEWABLE RESOURCE. INSTEAD OF A FINITE RESOURCE IN THE DESERT

- MORE WILD LIFE IMPACT STUDIES NEED TO BE DONE

- EFFECTS ON EXISTING WATER RIGHTS. ONCE THE WATER IS GONE, ITS GONE FOR EVER IS THIS THE "BEST" USE FOR THIS WATER RESOURCE

- WE DON'T WANT ANOTHER OWENS VALLEY DE BACKEL HERE IN NV, WHERE 50 YEARS LATER THE COURTS OVER TURN A BAD DESCION

I URGE YOU FOLKS TO SUPORT THE "NO ACTION ALTERNATIVE"

SINCERLY

FRANK WHITMAN
