NOTICE

Attached is a list of winners and a summary of results for the August 10, 2000, Competitive Oil and Gas Lease Sale held by the Colorado State Office.

In addition, there is a summary of results and a list of winners drawn from the offers filed August 11, 2000, for unsold parcels from the August Sale.

On August 21, 2000, it was determined that an omitted noncompetitive oil and gas lease offer was timely received on the day following the sale, and under the regulations at 43 CFR 3110.2(a), a public drawing which included this omitted offer was held on August 30, 2000, in accordance with 43 CFR 1821.2-3 in order to determine priority for issuance of the noncompetitive oil and gas lease for Parcel COC63935. A lease offer filed in the name of John P. Strang had originally been selected priority for lease issuance for the parcel. As a result of the redrawing for the parcel, Irwin Rubenstein was drawn and has been selected priority for lease issuance.

Any presale noncompetitive offer has priority for lease issuance on parcels not competitively sold.

NOTICE

Notice is hereby given that on August 30, 2000, at 9 a.m., the U.S. Department of the Interior, Bureau of Land Management (BLM), Colorado State Office, will conduct a public drawing in the State Office Public room to determine priority for Parcel No. COC63935 offered at the Competitive Oil and Gas Lease Sale held on August 10, 2000.

On August 21, 2000, it was determined that an omitted noncompetitive oil and gas lease offer was timely received on the day following the sale, and under the regulations at 43 CFR 3110.2(a), a public drawing which includes this omitted offer must be held in accordance with 43 CFR 1821.2-3 in order to determine priority for issuance of a noncompetitive oil and gas lease. One omitted offer was received for the parcel identified above. A lease offer filed in the name of John P. Strang had originally been selected priority for lease issuance for the parcel.

Procedures for the selection process are as follows. The new drawing shall consist of the omitted offers and the number of blank offers equal to the number of offers which were included in the first selection. If an omitted offer is not selected, the result of the original drawing shall stand. However, if an omitted offer is selected, the selected omitted offer shall displace the offer which was determined to have the priority in the original selection process.

For official record purposes, a copy of this notice is being filed in the official case file of the involved offer, and a copy of this notice is hereby posted in the Colorado State Office Public Room.
