Ms. Mack,

I am writing on behalf of DKNE Oil Properties, LLC in regards to nominating a BLM tract for an Oil & Gas Lease. As shown below, Merry Prestridge indicated I email with the relevant information.

The tract is in Slope County, ND and our records indicate that the BLM is also the surface owner.

134-105-27-W2 shows open to lease and DKNE Oil Properties, LLC would like to nominate this tract.

Thanks for your help and please let me know if there is anything else you need from me.

Hi Don -

The nomination process is pretty straight forward.

You will need to send us your nomination via mail, fax or email. It should include the legal description of the lands you want to nominate and the name and address of the surface owner of the lands if it is not the Federal Government.

Your name and the lands you are nominating now gets posted to our website. If you do not want your information posted, make sure it is not on the letter or in the email or fax.
