Disclaimer

Base data derived from USGS digital and mylar 1:100,000 scale maps. No warranty is made by the Bureau of Land Management (BLM) for use of the data for purposes not intended by BLM.

The monument boundary depicted on this map was produced with the best available data at the time of printing; however, the boundary is subject to verification and subsequent changes as dictated by improved data.

The monument boundary data was provided by the National Landscape Conservation System Office.

Generated by the Lewistown Field Office - June 18, 2003.

The map projection is in Albers; the data is in NAD 27; and the units are in meters.
