Inventory

Austin HMA

255 head were counted in this area, including 38 foals and yearlings. The inventory was done by helicopter 1/30-31/78.

Area Boundaries -

Highway 8A on the west, the Dead Ox Fence on the north, the crest of Mt. Callaghan on the east, and the Callaghan Fence on the South.

The area between the Callaghan Fence and the Forest Service boundary was inventoried, but no horses were seen.
