Trail OR 97541

Dear Brian,

1 Please rethink how BLM wildfires and invasive weeds can be reduced.

2 The negative impacts from toxic spray are not healthy for us or the environment.

3 There are other ways that would not harm.

4 Non-herbicide techniques, fire - etc.

5 Brian I hope you make a decision that will protect our children.

Thank you,
Connie Royer

6 PS. Please let me know what you decide
