Brian Amme
Project Manager
BLM
P.O. Box 12000
Reno, NV 89520-0006

1-16-06

Dear Mr. Amme,

I am writing regarding the BLM's proposal to triple
1 the amount of herbicides it uses in the Western U.S.

I am strongly against this proposal. It amounts to
2 the poisoning of public land, and is not the action of a responsible public agency.

Sincerely,

Margaret Brye
