BRIAN AMME, SPRAY DEPARTMENT, BLM RENO

DEAR SIR:

I WAS EXPOSED TO AGENT ORANGE AS A POSTAL WORKER AND MULTIPLE TOXINS AS A CALIFORNIA HIGHWAY MAINTENANCE STORES CLERK. I AM ONE OF THE PEOPLE AT HIGHER RISK FOR ADVERSE EFFECTS (example: DEATH) IF YOU PROCEED WITH THE PLANS TO DUMP VAST QUANTITIES OF POISON UPSTREAM IN OUR WATERSHEDS.

PLEASE CONSIDER THE AS-YET RELATIVELY UNCONTAMINATED CHILDREN WHO WILL BE HARMED BY SUCH UNSUSTAINABLE METHODS OF FORESTRY.

THE CHEMICAL COMPANIES WILL SURVIVE WITHOUT HELP FROM YOU.

SINCERELY,

R Schmidt
