

## PUB MC CUSTOMER INFORMATION REPORT

Use: This report is used to find claims related to a specific customer.

Description: This report lists all claims that are associated with a claimant's name within an administrative state, county, district and/or resource area. You can specify the case disposition and customer name. The report lists claimants alphabetically with address, city, state, and zip, customer ID and all serial numbers.

NOTE: Data stored in our database is in **CAPITAL LETTERS**. You must use **CAPITAL LETTERS** in the Selection Criteria or you will not receive any data on your report.

Procedure:

1. Select **Pub MC Customer Info Report** from list on left side of LR2000 reports screen.
2. Click "**Reset Selection Criteria**". Then click "**Admin State**".
3. Select the desired administrative state(s) by typing the two-letter state code in the edit field, or by highlighting it from the list. Click "**OK**".
4. Next click "**Case Disposition**". If you are looking for current customers select "Active".
5. Select the desired case disposition(s) for your report by highlighting it from the list, and click "**OK**".
6. Click "**Customer**". This selection criteria includes individual name and companies.
7. Type the first few letters of the desired customer name (at least three) in the edit field, and click "**OK**". The attached report sample shows results obtained by requesting active claims in Eastern States for customer name beginning with JEWELL R.

**TIP:** The Customer Name is defaulted to begins with. Type the mining claimant(s) name beginning with last name then first name using CAPITAL letters. You may also type in just a part of the last name or company. For example you are looking for John J Doe the following are the options you can type:

DOE	you will receive all names/companies beginning with DOE
DOE JOHN	you will receive all names with JOHN DOE
DOE JOHN J	you will receive only names for JOHN J DOE

If you are looking for a company type the company's name in CAPITAL letters. For example  
HOPE MINING CO

8. Click "**Process Report**".

**NOTE:** If you want a listing by customer name for claims in a particular County or district/resource area, click the appropriate button and enter the county or district/resource area codes from the Data Element Dictionary.
