

Mining Claims Mass Action Code

Menu Option: Pub MC Mass Action Code.

Purpose: This report is used to produce statistics by specific action codes. This report prints totals for multiple action codes for all administrative states selected. The report lists each action code with state and state total. This report counts all of the action code matching your selection criteria. The last line of the report is a total for all states.

Selection Criteria: The criteria input for the report is found in the Public Mining Claims Reports menu grouping from the Reporting Application. This report allows you to search by a combination of required and optional criteria.

The required criteria include administrative state, action code, and case disposition. Additional criteria that can be used include casetype and action date.

Note: Data stored in our database is in **CAPITAL LETTERS**. You must use **CAPITAL LETTERS** in the Selection Criteria or you will not receive any data on your report.

Procedure:

1. Select **Pub MC Mass Action Code** from the reporting menu.

The screenshot shows a web form titled "PUB MC MASS ACTION CODE (LR2000 PUBLIC REPORTS)". Below the title is the instruction "Please Choose Which Criteria You Would Like to Filter On". The form is divided into two sections: "MANDATORY CRITERIA" and "CHOOSE ANY OF THE FOLLOWING CRITERIA". Under "MANDATORY CRITERIA", there are three rows, each with a checked checkbox and a label: "Admin State *1", "Action Code *2", and "Case Disposition *3". Under "CHOOSE ANY OF THE FOLLOWING CRITERIA", there are two rows, each with an unchecked checkbox and a label: "Casetype" and "Action Date". At the bottom of the form is a blue button labeled "Select Criteria".

2. Click to place a checkmark by the optional criteria you want to include in the search.
3. Click **Select Criteria** to specify search criteria values.

Note: To change criteria selection, click Return to Criteria Selection.

TIP: To select multiple values for a criterion, enter each code separated by a comma in the text field or use the ALT key (for non-sequential items) or Shift key (for sequential items) and select multiple items in the list box. Click Close or click Set for another criterion to retain the search criteria.

Identify the Required Information:

4. Click **Set** for **Admin State** to specify the state.

Type the two-letter state code in the text field or select it from the list.

Click Sort Code or Sort Desc to sort or reverse the sort order based on the code or description of the items in the list box.

5. Click **Set** for **Action Code**.

Selection of the action code works the same as for admin state. Enter the comma delimited three-digit code(s) in the text box or select the desired action code(s) for the report by highlighting it in the list box.

6. Click **Set** for **Case Disposition**.

Enter the numeric case disposition code or select the desired case disposition(s). Select multiple by holding down the Ctrl key to select non-sequential criteria or holding down the Shift key and selecting sequential criteria.

To search for current claims, select "Active."

Identify the Optional Information:

This type of criteria selection provides the option between using an operator (such as “begins with”), an optional not, (to state that the code does not “begin with” the entry) and two text fields to enter all or part of the casetype code or text name. Select multiple by placing a comma between the entries.

OR

Select the casetype value from the list box. Select multiple by holding down the Ctrl key to select non-sequential criteria or holding down the Shift key and selecting sequential criteria.

8. Click **Set** for **Action Date** to identify a particular date or date range.

This type of criteria selection uses an operator (such as “between”) and a text field to enter a date.

- a. Enter a date in the text field.
- b. Click ✓ to place the name in the criteria list box, or X to remove the entered information from the text field.
- c. Add additional dates, as needed.
- d. Click **Select All** to use all entries as criteria. (Click **Remove** to remove an entry from the list box.)

Process Report:

9. After selecting all criteria, click **Run Report**.
10. Click **OK** to confirm the report criteria.

If all required criteria have not been identified, a message specifies the criteria that must be set. Click **OK**, identify criteria values and run the report again.

When processing has completed, the report displays.

Print Report:

To print the report, the report must first be converted into a pdf. Printing from the original display of the report will just print the information displayed in the report window.

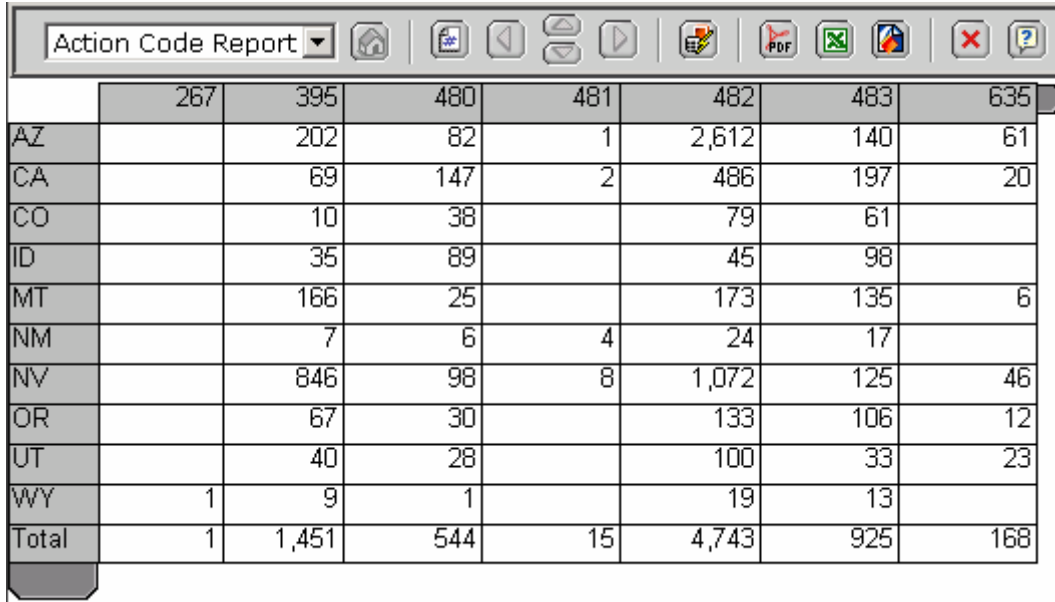

1. Click the  (pdf) icon on the tool bar.

The system converts the information to Adobe Reader format, showing an hour glass while the conversion is processing.

2. When the pdf displays, click the printer icon or select **File > Print**.
