

BLM Advanced Procurement Plan (APP) FY97 “Actual”

The first column in the following table describes which BLM State Office the request or procurement is anticipated coming from. Note: NIFC stands for the National Interagency Fire Center located in Boise, ID, Helium Ops stands for the BLM Helium Facility (former Bureau of Mines) located in Amarillo, TX, and BC stands for BLM’s National Business Center in Denver, CO.

The second column describes the description of the product or service anticipated being procured.

The third column describes the product services codes applicable to the product or service anticipated on being procured.

The fourth column describes the estimated dollar range for the product or services anticipated on being procured. Please see below:

ESTIMATED DOLLAR VALUE CODE:

- A - \$ 100,000 TO \$ 249,999
- B - 250,000 TO 499,999
- C - 500,000 TO 999,999
- D - 1,000,000 TO 4,999,999
- E - 5,000,000 TO 9,999,999
- F - 10,000,000 TO 24,999,999
- G - 25,000,000 TO 49,999,999
- H - 50,000,000 TO 99,999,999
- I - 100,000,000 AND ABOVE

The fifth column concerns the anticipated Business Economic Development Program (BEDP) where the product or service is anticipated at being directed towards. Please see the following:

BEDP Program applicable to the project:

Code:

- A - Directed to a sheltered workshop
- B - 8(A) Program
- C - Small Business Set-Aside
- E1 - Self-Determination Act/Johnson O'Malley Act
- F - No preference program or preference program not listed
- X - Not determined at this time

IMPORTANT-CAUTION

In an effort to assist industry and to locate additional sources of supply, the BLM is posting this Advanced Procurement Plan. These estimates are to be used for long-range planning purposes. They are by no means final nor are they purely indicative of what the BLM will eventually procure. All actions over \$25,000 will be synopsisized in the Commerce Business Daily.
