Dear Mr. Bennet:

I protest the following leases in the Jack Morrow Hills (Parcels 184, 185, 193, and 196) to protect sensitive sage grouse breeding and nesting habitat. I also protest the Little Mountain leases (Parcels 177-183 and 186-192) totaling over 18,000 acres to protect key elk, raptors, Colorado River cutthroat trout and songbird habitat.

Sincerely,

Ron Marquart
