Note: The Interior and Related Agencies Appropriation Act, 2000 (PL 106-113, November 29, 1999), authorized the Bureau of Land Management to retain collections, up to \$33,529,000, for Mining Law Administration program operations, including the cost of administering the mining claim fee program.

Because of a change in collection procedures, mining claim holding fees are initially recorded into a suspense account until adjudicated.
