CITY/STATE/ZIP:

Comments submitted to BLM for use in this planning effort, including names and home addresses of individuals submitting comments, are subject to disclosure under the Freedom of Information Act (FOIA) (5 U.S.C. 522). Written comments received during the public scoping process may be published as part of the environmental analysis process. After the close of the public scoping period, public comments submitted, including names, e-mail addresses, and street addresses of respondents, will be available for public review at the BLM Buffalo Field Office during regular business hours (7:45 a.m. to 4:30 p.m.), Monday through Friday (except federal holidays).
