Subject: Lander Front and Beaver Rim

Dear Sirs'

I would like to lend my voice to those other sportsmen and women who are concerned about future development of the Lander Front and Beaver Rim area. I support the position that the area needs to remain as is. My wife and I hunt areas 65 for antelope. We also spend many days a year recreating from our cabin in Atlantic City. We believe that these areas need to be preserved for ourselves and future generations.

Thank you
Chuck and Bonnie Straw
