Ruben gave her A set! cf

Dear MR Vander Voet.

I am asking for a hard copy of the RMP.

I dont own a computer or know how to use one. I also dont have access to use a CD.

as a permittee I would like to make comments on this important document.

Driving to the library every evening doesnt work.

I can stop by the office and pick up the copy. Someone can reach me at 330-8504 just keep trying.
