Subject: Changes in BLM Form 1520-22, Inventory Accountability
Certificate

Revisions have been made to Bureau of Land Management (BLM) Form 1520-22, Inventory Accountability Certificate. The form has been updated to accommodate all types of property transactions and to clarify the instructions.

BLM Form 1520-22, dated August 1978, will be canceled as a BLM document and replaced by the one dated June 1999.

The revised form should be available from the Printed Materials Distribution Section (PMDS), BC-650B, in about eight weeks. Continued use of the August 1978 edition is authorized until the revised edition is available. The PMDS will continue to distribute the old edition until they are in receipt of the new edition, at which time they will recycle the old forms and begin issuing the revised forms. All offices are to handle their stock in the same manner and destroy all old editions once the revised edition is available. Please order your forms via fax or regular mail. PMDS cannot accommodate telephone orders. If you have questions about publication ordering procedures, please contact your forms/publications ordering personnel or see the PMDS Web Site at: <http://nbcweb.blm.gov/bc650b/pmds/index.html>.

Please contact Kathy Montgomery at (303) 236-9460 if you have any questions.
